School Description

It is my pleasure to introduce this annual School Accountability Report Card. The data and information contained within these pages will be useful in informing you about our school, including but not limited to: academic standings, curriculum and instruction, school facilities and safety, budget, and facility enhancement.

As you read our School Accountability Report Card, you will see that every child has equal access to a rigorous core curriculum, particularly in language arts and mathematics. High expectations have been established for all students and numerous assessment tools are used throughout the year to ensure mastery of the state standards.

Our goal in presenting you with this information is to keep our community well informed. If you have any questions or are interested in making an appointment to discuss this report, please call our school.

Charlene Shimada, PRINCIPAL

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (562) 904-3589.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what the California Content Standards call for.

School Facility Conditions and Planned Improvements (Most Recent Year)

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State

Science				65	65	66	60	59	60

* Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STAR Results for All Students - Three-Year Comparison

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents and community members are very supportive of the educational program at our school. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with student needs.

Parents are encouraged to participate on one or more of the following committees or organizations:

- Parent-Teacher Association (PTA)
- School Site Council (SSC)
- English-Language Advisory Committee (ELAC)

The SSC, consisting of school staff and parents, is a major governing body that meets regularly to address programs and components that make up the school, to discuss the effectiveness of programs relative to the goals of the school, and to act as a communication liaison between the community and school.

The contact for parent involvement is Principal Charlene Shimada; she may be reached at (562) 904-3589.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students and staff is the primary concern at our school. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Monthly fire drills and disaster drop drills are conducted on a regular basis throughout the school year. A storage bin contains food, water, and other supplies for use during a disaster.

Our school is a closed campus. All visitors are required to sign-in at the school's office. Before school, after school, and during lunch administrators and other campus supervisors monitor activity and ensure student safety.

A Comprehensive School Safety Plan, which is revised annually, was developed by the school staff to provide students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include: child abuse reporting procedures, teacher notification of dangerous pupils procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, suspension and expulsion policies, dress code, and discipline policies. The school safety committee and district personnel evaluate the plan annually and update the plan as needed. The Comprehensive School Safety Plan was last revised in October.

Suspensions and Expulsions

Professional Development provided for Teachers at Alameda Elementary School

Teachers take approximately 10 days per year for their continuing education and professional development to improve their teaching skills in the subjects they teach to support student learning.
