

## AP Human Geography Summer Assignment 2018

**Your summer assignment is to gain a better awareness of the world.** Pull your face out of social media, and start watching or reading the news! This course assumes you're following world events to use as real-life examples for the material we are studying. If you aren't aware of things going on in the world you live in, this class is significantly harder.

This is also a good time to gather the supplies you'll need for this school year:

- 1-inch 3-ring binder
- 2-inch 3-ring binder
- 13 sheet protectors
- Lined paper
- Colored pencils (at least 12)
- Highlighter
- Pencil
- Colored pens (at least 2 different colors)

As soon as school starts, we will hit the ground running and start working at a college-level. Be ready to go on the first day of school!

If you have any questions, please don't hesitate to email me.

Happy Summer!
