Please carefully read the following expectations and then sign the form acknowledging that you have **read and agreed** to each of the statements of this contract.

1. I am responsible for my own learning and will demonstrate academic integrity when completing assignments, group projects, and assessments. I will not copy other people's work, I will not plagiarize any assignments as well as not use any "cheat sheets" or share information regarding any assessments to current or future APES students.
2. I understand that AP Environmental Science is the equivalent of an introductory college level Environmental Science course and will require approximately **30 minutes to 1 hour of work nightly**. (this is a rough estimate, some days will more, some days will be less)
3. Due to the large amount of content material that needs to be covered over the school year, AP Environmental Science students will be given work over **summer, thanksgiving, winter, and spring break**. I am responsible for completing all assigned academic work and understand that these assignments will be counted towards my semester grade.
4. I understand that if I am absent (**for any reason**: illness, school activity, etc.) it is my responsibility to
 - a. check the class webpage **or** contact a classmate to see what I missed and to get any missing assignments
