- c) Once each activity is completed, click on "check answers" and print this page/save it/take a picture of it and send it to me on google classroom. It will be turned in as part of your summative assessment grade (Look for the tab for you to upload your work).
- d) The rest of the assignments will need to be uploaded and turned in to me via Google Class, as well, via the Assignment tab (not for You can save it/take a picture of it and attach it under the Assignment tab).

2) I encourage you to read Spanish articles and listen to Spanish newscast and music.

Assigned readings (40 points each)

- 1) Read and take Cornell notes on one of the articles below.
- 2) Answer the "comprensión" questions under the language tab. Write the answers in the same paper where you take your notes.

- 3) Watch both videos on the multimedia tab. Then write one or two paragraphs in Spanish where you compare and/or contrast the information in the article and the two videos with your own culture. You can write this in the same paper.
- 4) Make sure you write your name and the title of the article. Label each activity in your paper. Your paper must be handwritten.
