Gallatin Elementary School

Classroom Supplies

We recommend that Gallatin students have a book bag or backpack (clearly marked with the student's name) for carrying books, lunch, homework, and school notices. Please write your child's name on all outerwear. Textbooks and other supplies are provided to each Gallatin student. However, the school's funding is very limited, and we greatly appreciate any support your family may be able to provide. Parents may assist the school by purchasing the supplies listed below for the classroom. If you are able, please send supplies with your child the first day of school. Please be sure to check with your child's teacher throughout the 2018- 2019 school year to see if classroom supplies need to be replenished. When specified, please provide the specific brand name of the product being requested. We have discovered that other brands do not last due to the quality. Thank you for your support.
