a) The District shall cause payroll deductions to be made in accordance with the District's procedures and Union's dues and service fee schedule, or payments to a designated charitable fund in lieu of service fees in case of an employee's bona fide religious objection.

b) Employees, in lieu of payroll deductions, may pay dues or service fees directly to the Union or, in the case of bona fide religious objection, provide proof of payment to a designated charitable fund.

After giving notice to the appropriate administrator, a job steward shall be permitted to leave his/her normal work area during reasonable times in order to process a grievance. Such notice must be made at least twenty-four (24) hours in advance. This time may be shortened by mutual agreement of the representative and the immediate supervisor.

It is understood that release time provided employees under this section shall not require the use of a substitute or create an undue burden on other employees.

6. Upon entering a work location, the job steward shall advise the grievant's supervisor and the appropriate administrator of his/her presence and business. The grievant shall be granted permission to leave the job if it will not cause an undue interruption of work. Additionally, the job steward may be permitted to discuss a grievance with all employees immediately concerned during those employee’s normal working hours as permitted by the appropriate administrator, and, if appropriate, to attempt to achieve settlement in accordance with grievance procedure.
7. **Logging**

In investigating and processing grievances, the job steward shall be required to utilize the district Affidavit of Absence form.

The form shall be provided to the job steward by his/her immediate supervisor. Any leave of absence granted for unelected Association member(s) will require a notification in writing by the Association to each employee’s supervisor or administrator a minimum of ten (10) work days prior to the start date of the Association’s activity. The notification shall state the purpose of the leave and the duration of time that the employee is designated to be on the leave of absence.

Compensation during the leave shall include retirement fund contributions required for the school district as the employer. The employee shall earn full service credit during the leave of absence and the employee shall continue to pay member contributions. The maximum amount of service credit earned shall not exceed twelve (12) years. The District shall be reimbursed by the Association for the released employee for all compensation paid the employee on account of the leave. Reimbursement by the
Association shall be made within ten (10) work days after the Association has received certification of payment of compensation to the employee.

ARTICLE VII - GRIEVANCE PROCEDURE

Definitions:
A grievance is a claim of any employee or C.S.E.A. concerning the interpretation or application of the expressed written terms of this Agreement, which interpretation or application adversely affects the employee or C.S.E.A., and which has not been resolved satisfactorily in an informal manner between the employee and the immediate supervisor.

Grievant shall be defined as either the employee(s) involved or the Union.

Group Grievance:
Should the District and/or the Union feel that the significant characteristics of a number of individual grievances or potential grievances are sufficiently alike that it would be in the best interest of time to hear this group of grievances as one, it may do so under this procedure. Such consolidated grievance shall be carried through the procedure by one designated grievant.

Waiver and Time Limits:
1. Failure by management to reply to the grievance within time limits specified will grant the employee the right to process the grievance to the next level.
2. Any level of review or any time limits established in this procedure may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. The grievant may be represented by the Union at any step in this procedure.

Release Time for Employees and Union Representatives: Grievance meetings and hearing will be scheduled by the District at mutually convenient times and places during District business hours. Such meetings will be scheduled so as to minimize interference with regular employee duties. If a grievance meeting or hearing is scheduled during duty hours, reasonable employee release time, including necessary travel time without loss of salary, will be provided.

Informal Grievance:
Before filing a formal grievance, the employee shall attempt to resolve the problem in a meeting with his/her immediate supervisor within twenty (20) working days of the date of the occurrence of the act or omission giving rise to the grievance. The immediate supervisor shall communicate an answer in writing to the grievant within seven (7) days after receiving the grievance.

Formal Grievance:
Step One
After receiving the written informal response from the administrator, the grievant may, within seven (7) days appeal the decision and file the grievance in writing on a District approved form. The grievance must filed with the grievant’s immediate supervisor. The written grievance shall contain a clear and concise statement of the grievance, the circumstances involved, the contract language in question, the decision rendered at the Informal Level, and the specific remedy sought.
The immediate supervisor shall communicate an answer in writing to the grievant within seven (7) days after receiving the grievance.

**Step Two**
If the grievant is not satisfied with the reply at Step One, the grievant may appeal the written grievance and the decision to the administrator designated by the District on the original form. The appeal shall be made within seven (7) days after receiving the Step One response.

The District shall give a written decision to the grievant within seven (7) days after receiving the appeal. Either the grievant or the District may request a personal conference to discuss the grievance. This request shall not jeopardize the time limits.

**Step Three**
If the grievant is not satisfied with the reply at Step Two, the grievant may appeal the decision to the Superintendent or his/her designee. The appeal shall be in writing on the original grievance form with the appropriate appeals and decisions. The appeal shall be made within seven (7) days after receiving the Step Two response.

The District shall give a written decision and the reasons therefor to the grievant within seven (7) days after receiving the appeal.

Either the grievant or the District may request a personal conference to discuss the grievance. This request shall not jeopardize the time limits.

Grievances must be processed strictly according to contract language to be valid.

**ARTICLE VIII – ARBITRATION**

Grievances which are not settled at Level Three (3), and which the Union desires to contest further, shall be submitted to arbitration as provided herein, but only if the Union gives written notice to the district of its desire to arbitrate the grievance within seven (7) work days after the termination of Level Three (3). It is expressly understood that the only matters which are subject to arbitration are grievances as defined in ARTICLE VII - GRIEVANCE PROCEDURE, which were processed and handled in accordance with the limitations and procedures of the grievance procedure. Processing and discussing the merits of an alleged grievance by the District shall not constitute a waiver by the District of a defense that the dispute is not grievable or not arbitrable.

**Selection of Arbitrator**
As soon as possible, and in any event, not later than ten (10) work days after the District receives the written notice of the Union's desire to arbitrate, the parties shall agree upon an arbitrator. If no agreement is reached within said ten (10) work days, the parties shall request a list of arbitrators from the State Conciliation Service. An arbitrator shall be selected from such list by alternate striking of names until one name remains. First strike shall be determined by lot. If the arbitrator selected indicates that he/she will not be available for hearing within a reasonable time, not exceeding sixty (60) days, the parties shall proceed to select another arbitrator.

**Motions to Dismiss**
If the District claims that a grievance should be dismissed because, for example, it falls outside the scope of the procedure, or was filed or processed in an untimely manner, or that the dispute has become moot, such a claim shall, at the option of the District, be heard and ruled upon by
the arbitrator prior to any hearing on the merits of the grievance, with a suitable
stay/continuance between such a ruling and any further proceedings which may be necessary.
The District may also, at its option, and without prejudice, have such a claim heard along with
the merits of the case. If the District should choose to refuse to arbitrate dispute, nothing in this
section shall preclude the Union from seeking, through appropriate administrative or judicial
proceedings, to compel the District to proceed to arbitration.

Limitations Upon Arbitrator

The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the
terms of this Agreement, but shall determine only whether or not there has been a violation of
this Agreement in respect to the alleged in the grievance. In determining whether the District
has violated an express term of this Agreement, the standard of review for the arbitrator is to be
whether the District acted in an arbitrary, capricious, or discriminatory manner. The decision of
the arbitrator shall be based solely upon the evidence and arguments presented to him/her by
the respective parties in the presence of each other, and upon arguments presented in brief.
This Agreement constitutes a contract between the parties which shall be interpreted and
applied by the parties and by the arbitrator in the same manner as any other contract under the
laws of the State of California. The function and purpose of the arbitrator is to determine
disputed interpretation of terms actually found in this Agreement, or to determine disputed facts
upon which the application of the Agreement depends. The arbitrator shall therefor not have
authority, nor shall he/she consider it his/her function, to decide any issue not submitted, or to
so interpret or apply the Agreement as to change what can fairly be said to have been the intent
of the parties in interpreting or applying terms of this Agreement. Information submitted may be
relevant evidence, but shall not be used so as to justify, or result in, what is in effect a
modification (whether by addition or detraction) of the written terms of this Agreement. The
arbitrator shall not render any decision or award, or fail to render any decision or award, merely
because in his/her opinion such decision or award is fair or equitable. No decision rendered by
the arbitrator shall be retroactive beyond the beginning of the last payroll period prior to the ten-
day period specified in Level One of the Grievance Procedure. The arbitrator shall have no
power to render an award on any grievance occurring before or after the term of this
Agreement.

The arbitrator may hear and determine only one grievance at a time unless the District
expressly agrees otherwise. However, both parties will in good faith endeavor to handle in an
expeditious and convenient manner cases which involve the same or similar facts and issues.

Arbitrator’s Decision

The decision of the arbitrator within the limits herein prescribed, shall be binding upon the Board
of Education.

Expenses

All fees and expenses of the arbitrator shall be shared equally by the parties. Each party shall
bear the expenses of the presentation of its own case.

ARTICLE IX - RESTRICTION ON CONTRACTING OUT

During the life of this Agreement, the District agrees that it will not contract out work which is

Friday, for all employees rendering service averaging four (4) hours or more per day during the
work week. If employees are to work on Saturday or Sunday as part of the normal work week,
the District will first solicit volunteers before making any Saturday or Sunday assignments. If
there are not sufficient volunteers, the Saturday or Sunday assignments shall be made first to
new hires, and then in reverse seniority order (beginning with the least senior employees). The
District agrees not to infringe upon an employee's religious convictions.

Call Back Time
Any employees called back to the district outside of their normal duty hours will be paid a
minimum of two (2) hours pay at time and one-half. All call backs shall be approved by the
Supervisor.

Meal Period
Each employee working six (6) or more consecutive hours shall have an uninterrupted, unpaid

Break periods are a part of the regular work day and shall be compensated at the regular rate of
pay for the employee. Break periods shall not be accumulated for any purpose. If for any reason
the employee’s break period is interrupted and the employee is required to perform duties, the
employee shall be allowed a new, uninterrupted break period immediately following completion
of the required task.
Overtime
Overtime is defined as authorized working time in excess of eight (8) hours in one day, or forty (40) hours in one (1) week.

Paid holidays and paid days of leave will be considered as basic days worked for the purpose of computing overtime. Unpaid personal time off is not included in overtime compensation.

Compensation for Overtime
A. An employee who works authorized overtime shall be paid or receive time off at a rate of one and one-half (1-½) times the amount of overtime worked. A regular employee must be paid not less than one and one-half (1-½) times his/her regular rate of pay for all hours worked after forty (40) hours.

B. Compensatory time off may be taken as time off in units of two (2) hours or more with approval of the responsible administrator within three (3) calendar months following the month in which the overtime was worked, and without impairing the service to the employing district or longer with mutual consent of the employee.

Whether he/she accepts or rejects, his/her name shall be rotated to the bottom of the roster and the other names rotated upward. If an assignment is rejected by all the unit members on the roster, it shall be offered to a unit member in a related job classification who is qualified to perform the work. *days per month

Earned vacation accumulated on the employee’s anniversary date must be taken during the following twelve (12) months. It is understood that there will be some exceptions to this rule due to District necessity and/or an individual employee’s circumstances. Vacation accumulation shall be limited to a maximum of forty (40) days at any time. Excess vacation days over forty (40) must be scheduled to be taken by the first pay period following the accumulation of over forty (40) days. Should the employee fail to schedule excess vacation by the end of the first pay period after the excess accumulation, the Department shall inform the employee of the date(s) of vacation in the amount of days over forty (40) and the employee will be required to utilize the vacation on the dates scheduled for him/her.

Employees may be permitted to take earned vacation within the same calendar year in which it is earned with the approval of the District. For the efficiency of the District operation, an employee may be required to accept monetary compensation in lieu of paid vacation leave.
Vacation leave shall be approved by the District in increments of four (4) hours or more. Part-time employees will take vacation in increments of at least one hour. Once the supervisor with the authority to approve or deny receive the vacation request (absence affidavit), the supervisor has five (5) days to reply in writing whether request is approved or denied. If no written response is made by the eighth (8) day, the request will be considered approved. The District reserves the right to rescind approved vacation due to emergency as defined in Article IV.

Vacation leave shall be requested by an employee and approved by the supervisor a maximum of six (6) months in advance or upon mutual agreement between the supervisor and the employee. Effort shall be made to enable vacation to be taken at times mutually convenient to the employee and the District, consistent with the needs of the service and the workload of the department. Should the employee not agree with the decision of the supervisor regarding his/her vacation, he/she may appeal to the next level of supervision. Vacation requests shall not be unreasonably denied. If the vacation requests of two (2) or more employees in the same classification conflict, the decision will be made by the supervisor who will consider the needs of the District and the preference of the employees. The employee with greater District seniority will be given preference, but seniority is not a guarantee approval.

The salary at which vacation is paid shall be the employee’s current salary rate. An employee whose vacation is earned and begun under a given status shall suffer no loss of earned vacation salary by reason of subsequent changes in conditions of employment. Upon separation from the service, a permanent employee shall be paid for his/her last regular assignment. No pay for accumulated vacation shall be paid to employees whose employment is terminated prior to completion of the probationary period.

An employee may be granted vacation during the fiscal year even though not earned at the time the vacation is taken. The vacation must be approved by the supervisor and if the employee is on probation and does not pass probation, then the vacation will be deducted from the final paycheck. If a permanent employee takes vacation and separates from the District prior to having earned the vacation, then the unearned vacation shall be deducted from the final paycheck.

A regular classified employee may revert to leave of absence for illness or injury if the employee suffers an incapacitating personal illness or injury while on authorized paid vacation. Such request shall be verified in writing by the attending physician and accompany the request for change in status.

A permanent employee shall be permitted to interrupt or terminate vacation leave in order to begin bereavement leave.

ARTICLE XVI – PAID SICK LEAVE

Sick leave is the authorized absence of an employee because of illness or injury or exposure to contagious disease.

A regular classified employee (probationary and permanent) shall earn paid sick leave in accordance with the provisions of Education Code section 45191. Unused sick leave may be accumulated without limit. At the beginning of each fiscal year, the sick leave “bank” of the employee shall be increased by the number of days of paid sick leave which he/she would normally earn in the ensuing fiscal year. An employee’s sick leave “bank” shall be adjusted if a
change of assignment alters the amount of sick leave earnable. Sick leave may be taken at any
time; provided that employees with probationary status may use only (6) days of paid sick leave
during their initial probationary period.

Pay for any day of sick leave shall be the same pay the employee would have received if he/she
had worked that day.

In order to receive compensation while absent on sick leave, the employee must notify his/her
supervisor of his/her absence prior to the first working hour of each day absent, unless
conditions make notification unreasonable. The burden of proof of unreasonable conditions shall
be upon the employee. After exhaustion of paid sick leave and prior to using the one hundred
(100) days of one −half (½) pay, an employee who is ill or injured will use accumulated vacation
and compensatory time to avoid leave without pay.

At least one (1) day prior to his/her expected return to work; the employee shall notify his/her
supervisor in order than any substitute employee may be terminated. If the employee fails to
notify his/her supervisor and both the employee and the substitute report, the substitute is
entitled to the assignment, and the employee shall be allowed to use one (1) earned vacation
day or not receive pay for that day.

The Board of Education or designee, upon probable cause (i.e. prior notification of attendance
issues within the last two years), reserves the right to require an employee to furnish proper
proof of cause of absence when called upon to do so for absences of five (5) days or less. An
affidavit of absence, signed by the employee’s physician, is required for absence of six (6) days
or more. Such notification should be submitted to the immediate supervisor upon return to duty.
He/she in turn will forward the information to the Personnel Office.

In addition to current and accumulated sick leave, all unit members shall be entitled to not more
than one hundred (100) days of sick leave at fifty percent (50%) of the employee’s regular
salary. The one hundred (100) days shall not be used until all current and accumulated sick
leave is exhausted. In order for an employee to utilize these 100 days at 50% pay, the
employee must provide documentation from a doctor that excuses the employee from work.
These benefits shall only be utilized for the employee’s illness or medical condition.

**Termination of Sick Leave**
An employee who has been placed on paid or unpaid sick leave may return to duty at any time
during the leave, provided that he/she is able to resume the assigned duties, and if the leave
has been for more than twenty (20) working days, provided that he/she has notified the District
of his/her return at least three (3) working days in advance. If at the conclusion of all sick leave
and additional leave, paid or unpaid, granted under these rules, the employee is still unable to
assume the duties of his/her position, he/she will be placed on a reemployment list for a period
of thirty-nine (39) months in the same manner as if he/she were laid off for lack of work or lack
of funds.

**Sick Leave Bank**
**Purpose:** To assist at regular permanent classified employees that earn sick leave from the
school district, but who have suffered a non-industrial injury or illness of a disabling nature, the
absence from which has caused them to have exhausted all available paid leave (see exception
under “Criteria for qualification”). The intent is to allow classified employees time to be restored
to health and return to work.
Donations: Once a year, or more often if needed, donations will be requested to be made to the bank. Donations may be made to benefit specific individuals at any time of the year, whether or not through formal solicitation. Days donated to the bank are NOT REFUNDABLE, whether made for a general solicitation or for a specific individual.

Donors must maintain seventy percent (70%) of their accrued sick leave, but no less than ten (10) days in their own sick leave accounts. Donations must be a minimum of one (1) day.

Donations to the bank are irrevocable. Donations made to the bank which are received in Classified Payroll by 4:00 p.m. on the 20th and approved by the Sick Leave Bank Committee will be posted for use during the month received. Approved donations received after the 20th will be posted for use during the following month.

Requests to the Bank: Employee, or employee’s representative, may make a request for days form the sick leave bank on the “Request for Days from Classified Employee’s Sick Leave Bank” form. It shall be submitted in a sealed envelope to: ATTN: Sick Leave Bank Committee, c/o Director, Classified Personnel, Classified Personnel Office, Downey USD, P.O. Box 7017, Downey, CA 90241-7017.

A Doctor’s note verifying the extended absence must be attached to the request to the sick leave bank. The District may require an additional exam by a doctor specified by the District, paid for by the District.

Requestor must have exhausted all paid leaves, with the exception of fifty percent (50%) paid days. The Sick Leave Bank Committee will review the employee’s request along with the submitted medical information, will make a determination, and will notify the requesting employee as quickly as possible as to the committee’s decision. No assurance is implied. The maximum days allowed will be fifty (50) days, or if fewer than fifty (50) days remain in the sick leave bank, fifty percent (50%) of the total days in the bank, at the discretion of the Sick Leave Bank Committee. Granting of days is subject to availability.

Days from the Sick Leave Bank may be used prior to, or after exhaustion of fifty percent (50%) paid days. They may also be used in conjunction with fifty percent (50%) paid days to constitute up to seventy-five (75%) of a full-day’s pay. Specification must be made at the time of the request how the requested days will be used.

Days donated specifically for an individual will be used prior to general donations in sick leave bank, if any. If the employee returns to work and had a reoccurrence of the same or related catastrophic illness or injury during the initial twelve month period, the employee may use the remaining donated days. After one year, the employee may request from the Sick Leave Bank committee and extension for any remaining days, up to one additional year. Donated days may be used only for the specified illness or injury. Unless an extension has been requested and approved, any remaining unused days will revert to the Sick Leave Bank after twelve months from the date advanced to the employee. The employee may reapply for additional days after one year from the date days are initially donated.

Exclusion: Not covered are cosmetic surgery, normal pregnancy, and worker’s compensation and related illness/injury leaves.

Leave of absence for military service shall be granted as provided by the Education Code and the Military and Veterans Code, and leave of absence for service in the Peace Corps and Vista may be granted for a period not to exceed twenty-four (24) months.

B. The granting of leave of absence without pay gives to the employee the right to return to former position at the expiration of the leave of absence, provided that employee is physically, mentally, and legally capable of performing the duties. The position may be filled only for the duration of the leave.

C. If time is requested away from a position for a period of less than two (2) weeks, the employee need not apply for a leave of absence. Employees should make arrangements with the department supervisor and obtain prior approval. Time off without pay will be requested in increments of two (2) hours or more.

D. If a permanent employee secures employment from another employer while on leave, the leave is automatically canceled and the employee is considered to have resigned his/her position with the District.

E. Family Medical Leave Act requests shall be available for a maximum of twelve (12) weeks in a one-year period for: Birth and care of the newborn child of the employee; placement with the employee of a child for adoption or foster care; care of biological, adopted, foster, or step child, legal ward, or adult dependent child with serious health condition; care of biological, adoptive, or foster parent or spouse with a serious health condition; employee’s own disability due to serious health condition.

Employees are required to give a thirty-day (30) advance notice of the need to take this leave when the need is known in advance. When the need for leave is unforeseen, the employee must provide as much notice as is practicable. A form to request such leave is available in the Classified Human Resources Office.

To qualify, an employee must have rendered one (1) year of continuous service and have worked a minimum of 1,250 hours in twelve months immediately preceding the requested leave. This leave will run concurrently with leave benefits to which the employee is otherwise entitled upon approval, except in the case of pregnancy-related disability. In this case, the employee may use her leave privileges already in place, and may apply for an additional twelve (12) weeks of unpaid family care leave under the provision of the California Family Rights Act.
When intermittent leave is needed due to medical treatments of the employee or employee's child, spouse, or parent, and the need is foreseeable based on planned medical treatment, the employee must make a reasonable effort to schedule the treatment to avoid undue disruption to the District's operations.

ARTICLE XXIII - MATERNITY LEAVE AND CHILD BONDING LEAVE

A. A female employee whose employment status with the District is termed permanent may be eligible to apply for maternity leave.

B. The effective date of the maternity leave shall be determined by the employee and her supervisor. A statement from the physician verifying the pregnancy and estimating the expected date of birth must accompany the request for leave. Such request for leave must be submitted to the Personnel Office at least four (4) months prior to expected date of confinement.

C. A physician's statement recommending continued service without restrictions may be requested by personnel if the employee's ability to perform normal duties becomes a concern to the district before the effective confinement date.

D. A physician’s statement recommending the employee’s return to service without restrictions shall be submitted to the Personnel office prior to her returning to work.

E. Maternity leave shall be limited to one (1) year.

Child Bonding Leave: As per AB 2393, classified employees may receive baby bonding leave. The employee must have worked for the District for one year and exhaust all available sick leave, including accumulated sick leave, before receiving 50% pay for the 12-work week period. The leave is for the birth of a child of the employee or placement of a child with an employee in connection with the adoption or foster care of the child of the employee. Employees may only receive one (1) child bonding leave within a 12-month period. This leave must be used within one (1) year of the birth or placement of the child. This leave runs concurrent with CFRA. This leave is a separate entitlement from the 100 days of differential pay. Documentation of the birth/placement will be required for all employees.

ARTICLE XXIV - HEALTH LEAVE

A request may be made for a leave of absence for reason of recuperation from illness or injury provided the employee has permanent status with the District. The request should pertain to that amount of time required to be absent from the position beyond sick leave earned and vacation time accrued.

A Change in Employment Status form must be submitted by the employee to the department supervisor for approval, after which the request is forwarded to the Personnel Department of Classified Services for processing.

Written evidence of illness must be obtained from the attending physician, chiropractor, or surgeon, and submitted together with the request. When returning from a leave of absence for health reasons, the employee will be required to obtain a health clearance for normal duties from attending physician, chiropractor, or surgeon. The clearance must be submitted to the Personnel Department of Classified Services.
ARTICLE XXV - INDUSTRIAL ACCIDENT AND INDUSTRIAL ILLNESS LEAVE

Leaves resulting from an industrial accident or industrial illness shall be granted in accordance with the provisions of Education Code Sections 44043, 45192, and this rule.

Employees may seek treatment through their own physicians provided the Medical Treatment Request form has been completed and filed with Classified Personnel Office before the injury has occurred.

An employee in the classified service who is absent from duty because of an illness or injury occurring on or after the effective date of this agreement, defined as an industrial accident or industrial illness under provisions of the Workers' Compensation Insurance Law, shall be granted industrial accident leave for each such accident or illness while receiving temporary disability benefits from Workers' Compensation.

Temporary disability benefits shall consist of two-thirds (2/3) of the employee's base pay rate, and is not taxable.

In addition, if the employee has served continuously with the district for a period of two (2) years or more, the employee shall receive, from the first day of absence to and including the last day of absence resulting from each separate industrial illness or industrial injury, a paid industrial accident leave for not more than sixty (60) working days. The requirement that employees have served continuously for a period of two (2) years will be applied to individuals employed after the effective date of this agreement.

Paid industrial accident leave shall be reduced by one (1) day for each day of authorized absence regardless of the temporary disability allowance made under Workers' Compensation. Days absent while on paid industrial accident leave shall not be deducted from the number of days of paid illness leave to which an employee may be entitled. If the employee is still unable to return to duty after exhausting paid industrial accident leave, the employee shall be placed on paid illness leave if he/she is eligible therefor. Accumulated illness leave will be reduced only in the amount necessary to provide a full day's wages or salary, as indicated in the employee's assignment, when added to compensation without penalties from the Workers' Compensation Insurance Fund. After all paid illness leave has been exhausted following a paid industrial accident leave, an employee shall receive pay from accrued vacation, earned compensatory time, or other earned leave to the extent necessary to make up the employee's regular salary when receiving a temporary disability allowance without penalties from the Workers' Compensation Insurance Fund.

After the expiration of all paid leave privileges, the Board of Education may place the employee on an industrial accident leave without pay. The total time of all leave benefits provided under this rule, including unpaid industrial accident leave, shall not exceed thirty-six (36) months for any one (1) industrial accident or industrial illness. Upon return to service from paid or unpaid leave resulting from an industrial accident or industrial illness, an employee shall be assigned to a position in his/her former class ahead of any employee with a lesser amount of seniority. If no vacancy exists in his/her former class, he/she may displace the most recently appointed employee in the class with less seniority. If an employee's former class has ceased to exist, the employee may be reassigned or placed on a suitable reemployment list.

An employee returning from such paid or unpaid leave of absence shall not have any loss or gain in status or benefit other than that which is specifically provided in applicable provisions of the Education Code and Personnel Commission Rules and Regulations. An employee shall
continue to receive seniority credit for all purposes while on such a paid or unpaid leave of absence.

When all paid or unpaid leaves of absence have been exhausted following an industrial accident or industrial illness, the employee's name shall be placed on the reemployment list for the class from which the employee was on leave for a period not to exceed thirty-nine (39) months. An employee who fails to accept an appropriate assignment after being medically approved therefor shall be removed from the reemployment list. Appropriate assignment is defined as an assignment to the employee's former class, in his/her former status and time basis and in assignment areas in which the employee has made him/herself available.

When an employee is on any paid leave resulting from an industrial accident or industrial illness, the employee's salary paid by the District shall not, when added to normal temporary disability allowance award without penalties granted the employee under State Workers' Compensation Insurance laws, exceed the employee's regular salary.

A permanent employee's regular salary is computed on the basis of the number of hours and days in his/her basic daily assignment. An employee who is not permanent shall have his/her regular salary computed on the basis of the average number of hours worked each month in which the employee was in paid status during the preceding six (6) months. During all paid leaves resulting from an industrial accident or industrial illness, the employee shall endorse to the District all wage-loss benefits checks received under State Workers' Compensation laws. The District shall issue to the employee appropriate warrants for payment of wages, loss of benefits, salary, and/or leave benefits and shall deduct normal retirement and other authorized contributions. Final allowance for permanent industrial disability settlements shall not be subject to remittance to the District under this rule.

When returning from a leave of absence for industrial accident or industrial illness, the employee will be required to obtain a health clearance for normal duties from his/her attending physician or surgeon. The District may require the employee to undergo an exam paid for by the District by a physician selected by the District for the purpose of verifying that the employee is fit for duty. Should the two physicians disagree, a third physician selected from the qualified medical examiner's list and selected by the employee will examine the employee at the District's expense, whose decision will be final and binding.

1 You can visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees. You are responsible for any applicable deductibles, coinsurance, and amounts over plan maximums and charges for non-covered services.

2 Reimbursement is based on PPO contracted fees for PPO dentists, Premier contracted fees for Premier dentists and program allowance for non-Delta Dental dentists. Out-of-network reimbursement is 90% UCR (Usual, Customary and Reasonable) fees.

60.600 Layoff

60.600.1 Reason for Layoff

The layoff of classified employees shall only occur for a lack of work or a lack of funds, and only in accordance with the rules and regulations of the Personnel Commission. Any effects of layoff that may be negotiated by and between the District and any recognized exclusive representative shall be in addition to these rules and regulations. Any agreement between the District and a recognized exclusive representative may not provide for less than the mandated employee protections and procedures outlined in this chapter.

60.600.2 Advance Notification to Exclusive Representative

If any of the impacted positions are represented by a collective bargaining exclusive representative, the District and the exclusive bargaining representative shall meet in advance of layoff regarding effects of the proposed layoff. A copy of each layoff notice will be sent to the exclusive representative.

60.600.3 Action to be Taken by Board of Education

Before layoff notices can be issued, the Board of Education shall take action to abolish or reduce positions in assigned time, stating the reason for the abolishment(s) and/or reduction(s), giving the number of positions within each classification to be affected.

60.600.4 Notice of Layoff

The District shall notify the affected classified employees in writing a minimum of forty-five (45) calendar days prior to the date of any layoff for lack of work or funds. The notice to the affected employee shall specify the reason for the layoff and be given by personal delivery, or by certified mail and regular mail, to the last known home address of the employee on file in the Classified Personnel Office. Failure of the employee to notify Classified Personnel of a change of address shall not be grounds for voiding notification, or the staying of timelines outlined in these rules. For purposes of this rule, if a notice is mailed, the third working day following the postmark date of the notice shall be considered to be the official date of receipt.
60.600.4 Notice of Layoff (Cont’d)

Any notice of layoff shall include the following:

a. reason for the layoff;
b. employee's displacement rights, if any;
c. employee's reemployment rights;
d. right to an exit interview during Personnel Office working hours with the Director, Classified Personnel, and a representative of the exclusive bargaining representative, if desired;
e. name and classification of the employee designated for layoff;
f. statement that the employee may have a right to unemployment insurance.

60.600.5 Procedure Regarding Layoff

A. The Personnel Commission shall establish and maintain a seniority list indicating an employee's hire date, and seniority within classification. Such roster shall be available to interested employees through the Classified Personnel Office.

B. Length of service (seniority as prescribed herein) shall be the only criterion used to effect layoffs. When classified employees are laid off for lack of work or lack of funds, layoff shall be made in inverse order of seniority in the class in which the layoff occurs. The employee who has been employed the shortest time in the class, plus higher classes, shall be considered to have the least seniority, and, therefore, shall be laid off first. Reemployment shall be in the reverse order of layoff.

C. Seniority within classification is to be computed by date employee enters the classification, minus unpaid breaks in employment (excluding summer, spring & winter breaks). Seniority within classification continues to accrue in lower classes held after employee promotes to higher classifications.

District seniority ("Length of Service) shall be calculated from employee's date of hire as a regular employee, minus unpaid breaks in service (excluding summer, spring & winter breaks).

D. The names of permanent and probationary employees thus laid off shall be placed upon the reemployment list for the class from which they were laid off. Names on the reemployment list shall be in the relative order of seniority.
60.600 Layoff (Cont’d)

60.600.5 Procedure Regarding Layoff (Cont’d)

E. Classified employees laid off under this rule are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants.

F. If two or more employees subject to layoff have equal class hire date and seniority, the employee with the least District seniority shall be laid off first. If District seniority is equal, the decision shall be made by lot.

60.600.6 Site Seniority

If a position in a classification is eliminated or reduced at a site or department which has multiple positions at that site or department with similar times, the least senior employee in that classification with those assigned hours will be bumped from the site before more senior employees in that classification and assigned hours are impacted.

EXAMPLE: A site has four Instructional Assistants that are each three (3) hours per day. If one three (3) hour position is eliminated at that site, the least senior of the four Instructional Assistants at that site will be bumped.

60.600.7 Bumping Rights

An employee in the classified service who is laid off from a class, and who has previous service in an equal or lower class, shall have the right to bump a less senior employee in that equal or lower class. Seniority for purposes of bumping shall include the total of the previous service in the equal or lower class, plus service in the class from which layoff occurs and in higher classes. In the event of a layoff the following bumping priority will apply:

1st ... An employee whose position is eliminated or reduced shall first be placed in a vacant position with an equal assignment in the same class when compared with the employee's current position.

2nd ... If the previous option is unavailable, the employee shall be placed in a vacant position that has additional assigned time in the same class when compared with the employee's current position.
60.600.7 Bumping Rights (Cont’d)

3rd ... If the previous option is unavailable, the employee will be allowed to bump into a position providing an equal assignment in the same class when compared with the employee’s current position, and which is occupied by a less senior employee.

4th ... If the previous option is unavailable, the employee will be allowed to bump into a position providing additional assigned time in the same class when compared with the employee’s current position, and which is held by the least senior employee of those less senior employees holding positions with more assigned time.

5th ... If the previous option is unavailable, the employee will be allowed to bump into a position in the class with less assigned time that is closest to the employee's current assigned time, and which is held by a less senior employee in the class. As an alternative, the employee shall also have the option of bumping into an equal (1st option) or lower class (2nd option) previously held as a regular classified employee that will provide at least the same assigned time as the employee’s current position.

6th ... If the employee is the least senior employee in the class, the employee shall have the option of bumping into an equal (1st option) or lower class (2nd option) previously held as a regular classified employee. The employee will repeat the sequence of options outlined in this rule for the equal class position first. If no alternative is available in the equal class, the employee will repeat the sequence of options outlined in this rule for the lower class.

60.600.8 Voluntary Demotion or Transfer

A classified employee who will suffer a layoff for lack of work or lack of funds may accept a voluntary demotion to a vacant position in a lower class or equal class, providing that the employee is deemed to be qualified to perform the duties thereof by the Personnel Commission, and provided further that the Board of Education approves the voluntary demotion or movement to an equal class.
60.600 Layoff (Cont’d)

60.600.9 Layoff Versus Temporary Positions

No regular classified employee shall be laid off from any position while employees serving temporary appointments are retained in positions of the same class, unless the regular employee refuses assignment to the temporary position.

60.600.10 Acceptance of Substitute or Temporary Employment

An employee who has been laid off for lack of funds or lack of work and who is on a reemployment list, may be employed as a substitute or temporary employee in his/her original class or any other class for which qualified (as determined by the Personnel Commission). Such employment shall in no way jeopardize or otherwise affect his/her status or eligibility for reemployment. This section is a negotiable issue for represented employees.

60.600.11 Refusal of Temporary Employment

Refusal of an offer of limited-term employment shall not effect the standing of any employee on a reemployment list.

60.600.12 Salary Placement After Demotion or Placement in an Equal Class

A classified employee who accepts a demotion in lieu of a layoff shall be placed on the salary range of the lower class, at the step closest to the employee's hourly salary rate in the higher classification, without being more than the previous hourly salary rate.

A classified employee who accepts placement in an equal classification shall be placed on the same salary range and step as in the previous position.
